Dear River City Dental Patients,

In light of the COVID-19 pandemic, the British Columbia College of Dental Surgeons has asked all dental offices to suspend non-essential and elective dental treatment immediately and to provide emergency treatment only.

Therefore, to ensure the safety of our staff, patients and community we are not able to provide any hygiene or non-emergency based appointments at this time. We are very sorry for any inconvenience this may cause and we ask that you please have patience as we navigate this situation.

We are continually monitoring the recommendations put forth by the province of BC and the College of Dental Surgeons. We will provide updates on our voicemail as information changes.

You will be contacted directly by our staff about any upcoming appointments *during the week prior to your scheduled appointment*. We are keeping a record of all appointments that will be affected and will work diligently to accommodate everyone once we resume normal business hours.

If you have a dental emergency, please phone Dr. Vandeppear directly at 250.572.4020. We will be booking emergency dental treatments during regular office hours.

Thank-you for your understanding. We sincerely hope everyone stays safe and healthy, and we look forward to seeing you again soon!

Dr. Glenn Vandeppear and Staff
